

New Source Review newspaper advertisements for construction permit applications, January 22, 2009. The following public notices have been published in the newspapers listed below each advertisement. These newspaper advertisements for construction permit applications were published on one of the following dates: January 15, January 20, January 21, or January 22, 2009. Public notices are generally published every two weeks. The previous publication of public notices was January 8, 2009.

PUBLIC NOTICE

The Tennessee Division of Air Pollution Control (TDAPC) has received requests for construction and/or modification of air contaminant sources as noted below. The proposed construction and/or modification is subject to part 1200-3-9-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period. Interested parties may express their comments and concerns in writing to Mr. Barry R. Stephens, Director, Division of Air Pollution Control, 9th Floor, L & C Annex, 401 Church Street, Nashville, Tennessee 37243-1531 within thirty (30) days of the date of this notice. Questions concerning a source may be addressed to the assigned Division personnel at the same address or by calling 615-532-0554.

Individuals with disabilities who wish to participate should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such contact may be in person, by writing, telephone, or other means, and should be made no less than ten days prior to the end of the public comment period to allow time to provide such aid or services. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 12th Floor, 401 Church Street, Nashville, TN 37243, 1-866-253-5827. Hearing impaired callers may use the Tennessee Relay Service, 1-(800)-848-0298.

The applicant is Rogers Group, Inc –Caryville Quarry with a mailing address of P.O. Box 25250, Nashville, TN 37202-5250. They seek to obtain an air contaminant permit for modification of a Rock Crushing and Sizing Operation (Division identification number: 07-0086-01/62582) located at 429 Queener Road, Caryville, TN 37714. This existing operation consists of a crushers, screens and conveyors. The requested modification is to replace a primary crusher, replace old conveyors with new and add several new conveyors to the operation. There would be physical construction. There would be an increase in regulated air contaminants emitted by this source. Ms. S. Shajikumar is the assigned Division person.

For the Campbell County *Lafollette Press* -- published once on Thursday, January 15, 2009.

The applicant is Cormetech, Inc with a mailing address of 3300 Old Tasso Road, Cleveland, TN 37312. They seek to obtain an air contaminant permit (Division identification number: 06-0218-03/62468) for modification of electric calciners located on 3300 Old Tasso Road, Cleveland, TN 37312. This existing operation consists of six electric calciners and associated equipment used to produce ammonium bisulfate powder. Six baghouses are used for pollution control. The requested modification is for the addition of ammonia emissions in the vicinity of the calciners. There would be no physical construction. Regulated air contaminants emitted by this source would increase. Mr. D. Wright is the assigned Division person.

For the Bradley County “Cleveland Daily Banner”-- published once on or before Thursday, January 22, 2008.

The applicant is Food City Gas N Go #650, with a mailing address of P.O. Box 1158, Abingdon, VA 24212. They seek to obtain an air contaminant permit (Division identification number: 53-0162-01/62572) for modification of an existing Gasoline Dispensing Facility located at 950 US Highway 321, Lenoir City, TN 37771. This existing operation consists of two gasoline storage tanks and associated gasoline dispensing equipment. The requested modification is to increase the maximum monthly throughput. Stage I gasoline vapor recovery is

used for pollution control. There would be no physical construction. Regulated air contaminants are emitted by this source. Ms. Hymelia Craig is the assigned Division person.

For the Loudon County "News-Herald" -- published once on or before Thursday, January 22, 2009.

FIRST APPLICANT:

The applicant is Edwards & Associates, Inc. with a mailing address of P.O. Box 3689, Bristol, TN 37625. They seek to obtain an air contaminant permit (Division identification number: 82-0431-01/62583) for modification of a Surface Coating Operation located at 157 Industrial Park Road, Piney Flats, TN 37686. This existing operation consists of three (3) spray booths and a sanding area, used for coating of helicopter parts. The requested modification is to reduce emissions and become a minor source facility. Exhaust filters are used for pollution control equipment. There would be no physical construction. Regulated air contaminants are emitted by this source. Moe Baghernejad is the assigned Division person.

SECOND APPLICANT:

The applicant is Edwards & Associates, Inc. with a mailing address of P.O. Box 3689, Bristol, TN 37625. They seek to obtain an air contaminant permit (Division identification number: 82-0431-01/62467) for modification of a Surface Coating Operation located at 450 Industrial Park Road, Piney Flats, TN 37686. This existing operation consists of three (3) spray booths and a sanding area, used for coating of helicopter parts. The requested modification is to reduce emissions and become a minor source facility. Exhaust filters are used for pollution control equipment. There would be no physical construction. Regulated air contaminants are emitted by this source. Moe Baghernejad is the assigned Division person.

For the Sullivan County "Bristol Herald Courier"-- published once on or before Thursday, January 22, 2009.
